Lawrence , I am in meetings most of the day. , finished by 5 , 2 pacific. . I don't see your call lasting more than 5 minutes. I prefer Justin send in whatever you two think appropriate. Lawyer to lawyer.. Im not sure the confidentiality otherwise. If you decide not. Then an outraged cover letter. Should accompany your proposal. It should be marked confidential. Or get some agreement from the dean. They will leak it otherwise ,and be seen to have won again

Urgent: Letter from the president. I need to tell him today that one day is not sufficient to come to an agreement with someone not empowered to make an agreement. (And president and dean had clearly already discussed Wednesday as deadline without dean telling me on Monday). Note also that conciliation committee said conciliation was possible with all three conditions met. Need guidance. I sent by email.

I thought much more about your hesitancy for president. - I believe that there is some difference between that and other roles that you have considered. But in today's environment, assuming it will be politics, I think the risks are the same. Being head of council of Europe. Just means there are many countries with the same goal rather than just the Slovak parties. . more later

That is a very personal decision. - What I think warrants further discussion is, if you, as I believe you do, want to stay in politics. And the reason not to run is, as we have discussed, then I think it requires a cold assessment. You are under a microscope. The only question is how many eyes are looking and who's eyes are they

IT used to come down to the effort the other side was willing to make. Money time. resources. etc. now that moat is dry
