I think we might add that the university is to provide a form letter to be signed by the donor that is acceptable to them. It should be delivered no later than 1 week after signing.

If you want to go to doha afterwards let me know. . again. Be very careful. Not one of them tells the truth .. no matter how much you would like to believe. Your phones will need to be changed once you leave the area. have your guys buy you one to use when there . THERE IS NO PRIVACY!!!. none. MBZ would like to reincorporate the whole region back into one entity . . Biz there is bad. Dubai on the decline. - no matter what they tell you . However , he and HBJ are the only two left standing.

Wanna call? All your stuff is in and my stuff removed as per our call. The line about them providing a letter is taken out as the rest of the clause says if the donor requests and it would seem awkward to require the foundation to send a letter to donors asking them if they would like to request something.

Ok?

That is the only thing that is hanging. Otherwise done. Let me know asap. Thanks

I am also working on retirement letter so it cannot be seen as disparagement. Rather as offered for the benefit of the university.

I realize that the person asking questions automatically has stature. I guess teachers' authority programmed into everyones head . He was again outclassed good work. but pivoting and asking questions will make it look less like you (the perp) are being interrogated.
