I will be in Paris on 30th of September untill 4th of october, because of visa. I wrote you, that unfortunately the only way to get there in my situation was with dad, and we cheated and wrote Spain to the embassy. so we have our tickets and hotel for 5 days ready. It is kind of stress for me, because as you know I was not talking with parents for a long time, and we still dont connect, and I wanted to be more time with you, but then decided that it is really better than nothing, and I will be so SOoooo happy to meet you my happiness drug <ss type="smile">:)</ss> and I really need your advice, it feels that Im totally loosing myself. I found uzbek hand made chess desk for you its so cute, and Im bringing it to you nonetheless, play you it or not. Very excited with meeting, missed you. and so thankful for everything you do for me! p.s. yesterday dentist took off those things inside my jaws , finally I speak normal speech and feel no ache ) teeth became so different and better, everytime I look at them I say thank you Jeffrey for that opportunity. take care [REDACTED]
