OK

President today told me he needed the expression of my will to continue in order to reject my resignation. I said I needed him to refuse my resignation in order to agree to continue. So in the end he accepted my proposal to “take time out” to decide about my resignation. In the meantime I’m fully functional and in some 2 weeks, when the dust settles, we will definitely close it.

I think it’s under control. Most importantly I didn’t take it back and thus maintain my integrity.
