I can't recall all of the "receipts"  
Onno Ruehl supposedly have the board bc I didnt get to see copies but i remember the chief of staff telling me that several of his alleged trips didn't even happen or had been planned and cancelled or that I didn't go in the trips and the tickets were refunded.

Sometimes travel would book for the whole entourage when the executive team planned a trip. And then they would just cancel whoever wasn't supposed to be in the trip but that was determined by chief of staff not me. Definitely not Jim he never cared about that stuff or asked.

Jim never approved any of my expenses or never played a role in any of my travel. Everything of mine related to bank went through chief of staff and her or his administrative assistive. I didnt have an administrative assistant and had no access to the travel portal or expenses.
