Dear [REDACTED], good morning and thanks again for calling yesterday. Just checking in to see if there was any movement on the issue. Maybe a good idea would be to give [REDACTED] name and telephone number for a person at the consulate she can go and see. Best, Terje

It is protective in humans and so is sneezing think about it

Nose eyes and throats have all the sensory (afferents) where bugs get in. These things make it hard for pathogens to "stick" it's a first level
