"The criticism is wrong and reflects a fundamental misunderstanding of both the facts underlying Mr. Epstein's case and how it was prosecuted by both local and federal authorities. Far from receiving a sweetheart deal, Mr. Epstein was subjected to a lengthy, aggressive, and highly unusual federal investigation for what were, in essence, local offenses of sexual solicitation. He accepted responsibility, served time and prison, and paid significant monetary settlements to the victims involved.

no 14 year olds . here's the charging document, one girl 1 month shy of her 18th birthday.  
that's the truth, the story is blown wayyyy out as we have never countered facts, some are  
counseling that in this environment , doing so just leads to more digging whining etc.
