you are receiving 30k in amex gift cards. or I think it much better that you have your own
credit card and start building a good credit history . so you can have money wired into

your own account. and no one gets to review what you do with it. I prefer you have total privacy

I love both ideas .. I feel like it is difficult to set up my own credit card until I make my own money right ??

I'm all for it! I just have to see the Prime Minister at 4pm, so I can be in Vienna for early dinner, like 6pm. And I can offer my Ambassador's residence as a nice, quiet venue. But of course, ready to go anyplace.
