Good morning Jeffrey. Our other client has gone to 5.75 € in the meantime, although he didn't want to go higher than 5.5. He is a famous and tough parisian investor who never overpays. This means that below 6 this is great value for money. We had green light from the owner for 5.79 yesterday afternoon. I suggest you make a written offer of 5.8 and we close it today fast before the auction goes further up. What would you like to do?

in any bar where drinking age is 18 i guess that 10 percent of patrons are under 18. . they sneak in, they have fake id. their friends bring them in. . and that is with guards at the door, the owner gets a fine. . every bar in florida. there is no intercourse
