Marvin minks said the way to lose weight was to enjoy feeling hungry. What I mean is that they are all non rational . As you and I are very used to getting our way. It should act as a reminder. That unpredictable is part of life. Mentally Stamping your feet , in a fed up tantrum. . is sort of cute

If you don't have the heart . Make the punishment clear. You need to ask her to do something for you. When she refuses. If she refuses. , you can say , enough is enough. , this isn't a friendship its a one way street. . and you have decided not giving you what you need. So good luck .

he crime of obstruction of justice occurs when the effort is made to thwart or impede the administration of justice.

"For example, in obstructing justice through coercion, the crime is complete with the attempt and whether the attempt succeeds in dissuading the witness is immaterial. Thus, if a defendant harasses or physically prevents a witness from appearing or testifying, or attempts to do so, such actions constitute obstruction of justice, regardless of whether the witness ultimately appears or testifies."

Your shrink im sure has motivations to make you calm and knows a great deal more than I about your mental health. However , putting the blame on her for the no deal ie her inability and confusion instead of focusing on what you could possibly do better does not sit well with me. Again he is the professional Im only the friend
