Oh also i forgot to say, i am a very passionate person i have only been at modeling full on for about three years and i have already done alot <ss type="smile">:)</ss> most girls start off very very young like 13 years old, i didnt have that opp. because o was always too shy down in a small town of NC. ██████████ says you know some people at mc2, and next. I am with a small agency in NYC because i wanted that personal attention, if someone at a top agency liked me enough and had enough faith in me, I would love to show the modeling world what I'm really made of!
