Also, restaurant is closed for the holiday :) Don't worry about that! But [REDACTED] is now blaming me for having to take the bus, as [REDACTED] was lent the car. Yup, my fault ..? [REDACTED] drove most of Alaska and she's good- safe. We went over everything, even that [REDACTED] was going and it was her choice what to do, I encouraged reconciliation which she will likely approach with [REDACTED] when she's back. ...I thought JE would have liked the car thing for [REDACTED] bday, I'd hoped so :)

Yeah, they closed for Mem Day. Everyone was out of town and they only had 6 res on Saturday!

Harsh was patient for the first three inquires, but the bakery was in a village we couldn't drive in but had to walk into- he was out. Too much of an adventure for him. You and I wouldn't have given up that quickly!
