Just reading all the messages now, yes ██ was with me all the time! We went from the ER to urgent care that Jeffrey told me to go! The regular urgent care didn't even take me cause they don't deal with appendix or severe pain and the ER just didn't have enough people - after one hour wait decided to go uptown.

Hi Dangene,
Jeffrey would like to buy an LED light machine for the face, he wanted to ask what kind of machine would you recommend for that please?
Thanks so much!
Karyna
