Such a fail of a day! Waited until 2 pm for hot water - nothing - went to school with 2 days dirt and laser room was locked! They obviously don't want to pay staff to be on duty when no one is using it came home- still no hot water - just came on recently

Hey [REDACTED], sorry, just read your messages!
That is so unfortunate about the laser... but please don't worry to much, you know in the end he doesn't really care about birthday gifts. And we'll see, my pizza butt might be a failure too, I will try this morning.
Is the hot water back yet?

I am having a very bad PMS. Just can't control it. I am scared to spoil his birthday, just have this crying spurs. I now sit in a room by myself and can't stop crying. I don't know what to do. He is already upset with my behavior yesterday

How are you feeling? I have had many days where I can't stop crying and I don't know why. It's been a time with a lot going on and you wanting to have everything nice for his birthday. I think it's very normal for us girls to have days like this, at times like these!! Plus lack of sleep and all that pizza making!!
