Not sure what you want to do , they came and looked at it. Basically they want to get the plumber in tomorrow to fix. I can't be there during the day to watch and I think they will be taking the wall apart and fixing. I don't know if [REDACTED] or maybe tes or Leo can help or if you want to wait to have it done when the cats are at 71st.

Could that cats stay at your place for the day, and I can ask [REDACTED] or [REDACTED] to supervise the workers?

There is just too much of my work and things that [REDACTED] could get into. Probably take me less time to be present with the workers than to [REDACTED] proof my apartment. Plus to be honest I don't think it's a good idea to risk another over 10k sofa and chair and dining chairs. Just doesn't feel responsible to me with Jeffrey's property.

I see. I'll think about it. Maybe will just ask [REDACTED] to stay there and keep the cats in the bathroom until the work is done. But will ask Anthony first what to expect
