Hi Karyna. [REDACTED] is asking when you would like your apt cleaned...she can come tomorrow as she would like to go shop now...is that ok with you? I think she was

knocking on your door and to reach you earlier today...

I've worked harder than anyone in that school, I know, I am there the longest hours and a lot of people don't touch on my work quantity. And now this. To lose what I deserve, maybe more than most, my opt.

They have lied to me over and over, today another lie came to the forefront. My docs have been in a signed sealed envelope on my desk for 2 years and all the time [REDACTED] told me they can't go to WES like that they have to be sent directly from the institution. Found out from WES today it's bullshit!!!

I have told him the mess but he has his own legal issues so I will wait until school finishes and then will move onto legal proceedings with [REDACTED], I don't know if he will approve, but I need to do it for all the lies and ways I have been deceived. I want my tuition back so that I can give it back to him. They are shocking.

They will pay... for lying that we would qualify for ncidq in their promotional material when we didn't, for finding a solution to their lie that only worked for American students, for charging me for a subject I am not taking, for giving me advice 3 times that would be a violation of immigration law and for their latest lie. I can say with confidence I am one of the hardest workers in that school and I have had to deal with all of this unbelievable inefficiency and unjust dishonest behavior. No matter what, no matter when I will bring each and every thing they have done to light and they will have to answer for it. If I do not have enough strength in this country to do it, I will do it from London. But this is too

unjust and unethical to be left. No one is going to treat me like this over and over again and get away with it.

They will pay... for lying that we would qualify for ncidq in their promotional material when we didn't, for finding a solution to their lie that only worked for American students, for charging me for a subject I am not taking, for giving me advice 3 times that would be a violation of immigration law and for their latest lie. I can say with confidence I am one of the hardest workers in that school and I have had to deal with all of this unbelievable inefficiency and unjust dishonest behavior. No matter what, no matter when I will bring each and every thing they have done to light and they will have to answer for it. If I do not have enough strength in this country to do it, I will do it from London. But this is too unjust and unethical to be left. No one is going to treat me like this over and over again and get away with it.
