Hi Karyna, I am going to the house now than gym. Daily we and [REDACTED] are in school till school closed (11:45pm) so usually home around 12:15 am. Depends of the day but usually I leave btw 7-9 am . Unfortunately I also can't work from home at the Moment since finals are close I am doing a lot of research for my final projects and papers in need a library data base. Plus I might get C for one of subjects so trying to avoid that studying non stop even through weekends. And I am sure [REDACTED] has the same so I am happy to help but I am not sure how we can do it with our busy and tense schedules... I wish it was later after our busy month

Girls, I understand it completely. It just would be helpful if you tell me upfront that you can't take care of the cat at the moment, so that I would not count on you. It looks like [REDACTED] is the only one who can help right now..

Sorry Karyna;(((We are really would love to help and both me and [REDACTED] are in love with our babe [REDACTED] but yes this is a reality at the moment... If [REDACTED] would be able to take care of her during days I can help by feeding her in mornings before I leave to school and nights for her dinners when I am back home.
