I'm wondering if we should do it on another evening when you are back? I appreciate it so very much and would mean the world to me to have a girls dinner. I just cancelled on [REDACTED] because I can't deal with it.

It's me. Which means I feel bad for him cancelling on him under the reasoning of not wanting to celebrate and going somewhere a stones throw away with my friends. Wish I

didn't! It's my bday I know! But it's so hard for me to think of hurting people or deceiving them.

Are you working this week? Was wondering if I could see you for a haircut?

Thank you,
