If she is at work all day and ██ with ██ - perhaps better to get the cake when we see here. Having a whole cake alone at home doesn't sounds fun

Because I have the ability with all the programs and no one else does, not even her, so I think it's frightening for her that they will go around her and get things directly from me. But I wouldn't send anything without her approval and her sent her an email telling her this.
