You should merely say yes. Tape record the conversation. Be prepared to 1 say reputation and money. Though with crows statement it is now super hard. 2 . Agree to meet crow plus . Ask if you can have advisor present. 3. My favorite is to say that you are disabled (and they need to make accommodation). It is very clever. And your behavior proves it. IM not kidding

From a witness - [REDACTED] has been afraid of flying her entire adult life. Prosecutor Rachel Mitchell repeatedly challenged [REDACTED] about her of flying, in an effort to impugn [REDACTED] general credibility. I could have provided the FBI with the names of at least half a dozen people who have flown with [REDACTED] and can attest to the fact that she has

panic attacks before she flies. She controls those attacks with medicine prescribed by a doctor.

MEDICINES!!! So easy. Will Kwok be in town week of 14th
