Thanks. Will call you later. Crow indeed made a point of violating the confidentiality of the process.

Problem is that committee told me that meeting with dean was cancelled because dean wasn't on a position to discuss terms. The next person I would speak to would be provost. So dean shouldn't be talking to me.

Anyway, will call you later.

Shouldn't couldn't wouldn't these are all silly terms. It is about congeniality. Crow has made the situation toxic . He said we did all we could to get rid of him. That's why falling back on your social disability is a rational view . There is little you can do now about your reputation after crows comments. So money , might be point to argue. . DO NOT reach out to committee chairman. !! not sure why you would even think of doing that. Just say yes. . i'll talk. And listen and record.

Again. This is negotiation. The dean might be looking to help . And bringing in third parties. Might reduce any of the still small chances you have.

What is hard to understand is why the meeting with dean was cancelled cause the committee was specifically told dean can't negotiate with me and now dean wants to talk to me.
