    Dear Joe, As you are aware , what I lack in biz skills I make up in character. When we
    first met , I thought , wow. We can do this together.   What I propose is that you and I form
    a partnership. I do the spiritual and you do the biz.   After my salary of 1. 5 per year. We
    split everything 50/50/. All my ip goes in.   We agree on its value and its appreciation is
    splits 50;50.   You can choose the value.

These are always scary two phase procedures where you try to occluded a little then quickly bypass the vessel

But the SLAM DUNK analogy is kinda fun

It isn't a slam dunk
