Thank you , yes, was terrified to use it but my hands were like ice cubes. It's a gas one so it's really easy and can't get out of control

Not feeling well, like when I first arrived and everything was so foreign to me. I think the incident I saw affected me and loneliness is consuming me a little. So better not to be in touch with me probably. I can't pretend my feelings to be different.

Steve did not send me anything directly, but I have now requested a meeting on the 15th in Berlin. I will see if I can be there at the same time.
