[REDACTED], I am sorry that you got hurt, I just don't want to say anything because I really haven't been with you guys in any of those situations, so it is only things that I hear from others.. Anyway, I still hope may be one day you could be friends again..

About the cake, it is a melted chocolate cake that she knows about, there was even a video of it that [REDACTED] and [REDACTED] kept watching, so we thought it would be a nice birthday cake, it looks amazing, but just need to be fresh.. if anyone could pick it up would be great, if not we can try postmates

Karyna, it's not an issue btw them but [REDACTED]. She does not know how to respect people who helped her, [REDACTED] and me were around her through all her legal issues (especially [REDACTED]) and what we got in return? Nothing but disgusting behavior. No single time she checked on [REDACTED] when she had issues w visa or [REDACTED] and never asked me about my legal issues. Because at the end all she cares about is HER and as along she is happy and gets what she want

I am not acknowledging it but I am not happy w her either and just trying not to deal with her bc at the end it won't make happy Jeffrey.

Karyna I didn't know others would be talking about it. Seeing as no one knows and I doubt [REDACTED] has been regaling everyone with stories of how I was always there for her and helped her with things no one knows of, I'm kiiiiinda wondering if it's the truth. Anyway, leaving you guys to it. Everyone can make their own judgements and assessments. You guys know my loyalty and trustworthiness to friends, don't think I have to speak to that. Would just ask you to consider when you hear things, that there is a chance, if its from a third party that they maay not have all the info. Actually it's not a chance, 100% they don't have all the info.

Not going to bring it up again. You guys believe what you want but please don't ask me to do favours for her until and if things ever change. Thank you for knowing that tomorrow I will not be. The last massive favour I did for her in my heart I did for Jeffrey. She returned my texts for a few days over that period. That was nice.

I don't think there is a being done at [REDACTED]. You're done when you're in the grave.

Lucky it's the final program and the easiest, for layout of presentations. The process from the other 5 programs isn't lost. Just a matter of importing and formatting and laying out
