But partly relevant because with this faux floristry I had to go out with dark glasses cos it was hurting my eyes. And I kept bumping into things because the weather too grey for glasses

Sorry, that is super silly, there is nothing more important than getting your health in order. . you should get yours shots . And a full blood test. the sentence is backwards. Its does not depend on when you will be back it depends on what you decide to prioritize. (I told you , our agreement means I tell you the hard truth ?

We will need to wait one more hour to get the full picture.

In Slovakia - could be worse.
