Is there a subject? Otherwise go to ted talks and kahn academy. And spend two weeks just reviewing courses and subjects. The last time I gave you money you gambled it away and ignored my advice. I remember sitting in my house. And saying it is up to you m but if you follow your path you will end up home , with family, you told me no no I promise never , I don't want to go back. And. . I know you are smart and have made mistakes. As have we all . Time to grow up

With mueller saying today that he couldn't say trump didn't commit crimes. And that to charge him would be unfair as he couldn't defend himself but they preserved evidence for when he could , probably will take the focus off of you and your funny comments,
