Let's have Merwin change the code please..
My guess is someone from the building had access to it and used the toilet. It would be so embarrassing if the guests got to see this!

   Hi Anthony,
   Could you please have a serious discussion with your men to not use the bathrooms in Mr.
   Epstein's apartments under no circumstances. I just walked into 7J to bring something
   before the guests arrival and saw this..

Girls may make a tentative booking there, for those who not sure yet I understand for ██████
and ██ with work it may be tough and for ██████ and ██████ don't know their schedule yet,
but I can always adjust booking. Would be great to have everyone together but absolutely

no pressure. I've had months of having to organize social life (or lack thereof) around work responsibility so I definitely understand it fully ;)
