

Padma's Plantation®

Dear Friends,

Inside you will find a carefully selected blend of our all-time best sellers mixed in with our new future favorites.

As always, we want to thank you, our loyal customers who have continued to support us throughout the years. It is because of your support that we can continue to do what we love: Design! Our philosophy is that every day should feel like you're on vacation, even when you're not, and you can count on Padma's Plantation to bring a taste of the tropics to your home!

Padma's Plantation is passionately committed to designing furniture that is not only inspired by nature's beauty, but more importantly, respects it. We continually strive to create unique products using sustainable materials, such as rattan and bamboo, along with ecologically safe practices, with the hopes of keeping the world safe and as beautiful as the furniture we design.

Please sit back, relax and escape your busy lives and discover our newest designs. Let us help you create your oasis of peace and relaxation, where you can live.

The life you imagine....

Con Cariño,
Renee Maria

Padma's Plantation is a nature-inspired company that focuses on crafting furniture of natural materials including renewable resources like bamboo, rattan, and abaca to create fine furniture and accessories that evoke the tropics and all it entails. Like the easy-going, laid back style enjoyed by those who live in warm climates, Padma's Plantation designs are casual and comfortable.

Split bamboo poles of varying heights are combined with tropical hardwood to achieve the exotic styling of the Otani Headboard. Hardware for attachment is included. Padma's Plantation takes all the steps necessary to minimize cracking and splitting of these sustainable materials, but we recognize that it is unavoidable. We recommend that these pieces are not purchased for homes in AZ, NV, CO or NM due to the potential climate effects of the materials.

Leather

Please refer to our pricelist to see which frames are available for that upgrade.

C.O.M. (Customer's Own Materials)

This option allows you to create the exact look you want. Choose a single fabric or mix multiple fabrics on a single frame. To order, please request a C.O.M form from our representative.

- Actual color of fabric may differ from the printed representation. All cushion covers should be professionally dry-cleaned with pure solvents. As with all leather, liquid stains should be wiped off immediately. Do not clean Leather with detergents or soaps, as those may discolor the leather.
