NOTICE OF REGISTRATION RENEWAL

In reference to registration: FS5672363, Expiration Date: February 28, 2019

Registered Address: 6100 RED HOOK QUARTERS, SUITE B3
ST. THOMAS, VI 00802

Dear Registrant:

This is your renewal notification of registration from the Drug Enforcement Administration (DEA). Your DEA Certificate of Registration is due to expire soon. Pursuant to Title 21, Code of Federal Regulations Section 1301.13(b), you are eligible to apply for renewal not more than 60 days prior to the expiration date for registration number: FS5672363.

To save time, it is recommended you complete your renewal application online. Most DEA registrants who do so are able to complete their application within 4 minutes. You can begin the renewal process for your DEA registration on December 30, 2018 at www.deadiversion.usdoj.gov. On the right side of the homepage under Registration Support, select Renewal Applications to get started. Please read all instructions and login requirements before beginning the renewal process.

To request a paper renewal application, send an email to DEA.Registration.Help@usdoj.gov. Responses are provided during Federal work days. Or call 1-800-882-9539 from 8:30 am to 5:50 pm Eastern Time on Federal work days.

It is important you understand that **Federal law prohibits you from handling controlled substances or List 1 chemicals once the DEA registration has expired and it is in a retired status.** However, if a registrant submits a timely application to DEA for the renewal of his or her registration and DEA has not acted on the renewal application prior to the expiration date of the registration, that registration is automatically continued in effect from day to day until DEA acts on the renewal application in compliance with Title 5, United States Code Section 558.

Sincerely,

Erika Gehrman, Chief
