

1. Media cabinet: manufacturer: Bungalow 5, made in USA. description from the company's website <https://bungalow5.com/product/details/ART-450-64?catid=74651> net price: \$2743. So I guess we can put \$500
2. Coffee table: Manufacturer: Pearson, made in China. Material: leather (or faux leather, not sure) and parchment. Since it is being discontinued, I would put a price around \$300
3. Side tables: manufacturer: Artefacto, made in Brazil material: stainless steel, wood, glass \$400 each
4. Lamps: manufacturer: Artefacto, made in Brazil. Material: glass, metal, linen. \$250 each
