I hope you had a nice trip!  
Is there any time when I could stop by that is good for you?

Hi Eva!

It was purchased from ABC home and was displayed as a wall mirror there. But I guess you can use it in a different way if it works.

Eva, are you back in New York? I have something for you and would like to meet with you at any place that is convenient for you. I won't take more then 5 min. Please let me know.

Thank you.

Karyna,

Was this really supposed to be a mirror? It is very, very thick and almost a foot wide. To me it seems like it could be a table top because there were lots of other tables with that material. It doesn't seem to be something that would hang on a wall.

Best,

Eva
