Anthony, I didn't get a quote from you yesterday. I only got the one from you on Tuesday from Faucets Direct. Was there another one?

Fine with me - we cannot redo the bathroom until the new tub arrives - It will take two weeks from that time to complete.

Also you need to order the drain assembly with the tub.

FYI your price is more than the proposal I sent [REDACTED] yesterday. Tell them you want \$100 discount.

[REDACTED] this seems OK to me, as long as the 1-2 week delivery time is OK with everyone? I can place the order today if OK?
