---

I'm on the phone with [Build.com](#), which I think is same company as [FaucetDirect.com](#). they are calling American Standard to see what the lead time would be for the Arctic. If they can get it quickly, I will go ahead and order while I'm on the phone with them. will let you know

I see that only the white color is in stock on this website. JE said you should get the Arctic.. it's the whitest white they show for finishes. Let's try and find it in Arctic from a different source.
