I will be working at apt most of the day tomorrow as well. I'm meeting the plumber at 9am, and closet people at 12:30pm, so should be around from 9am on.. [REDACTED], will you be in the apts at 8am just in case they end up coming that early? If not, then I will plan on being at the apts by 8am

I need someone of you to be at the building and open the apartment for delivery people. The doorcode for [REDACTED] is [REDACTED]. I left [REDACTED] and [REDACTED] phones and apt. numbers with the doorman as contact people, and also [REDACTED] phone in case there will be any issues with other two. Could you please confirm if you guys can do it?
