Hi,

I am so sorry to get back to you so late. I finally got an answer from the headquarter.

Unfortunately, as it is a custom piece, we can only sell it as a whole but not just a few pieces. The whole piece can be sold for \$1999, it will be the same cost if you decide to special order it and would take about 4 months.

I am sorry about this unfortunate news.

Please let me know if there is anything else I can do for you.

Have a great rest of your week.

Regards,

Lucile May
