Yes, I can come see you tomorrow around 11 if you have time and then I have to be at work at 1pm.

I am going to leave again sat,, would you like to come see me tomorrow morning around 11 . I respect you and your views. though they are both reflective of no real facts. and a refusal to accept that there are no guarantees in any situation, I have no intention of trying to convince you otherwise,, I told the school dean today, that I made a mistake, and apologized for wasting the time of him and his staff, I suggested that you were probably too young to realize the opportunity but maybe we would revisit it next summer
