Please do. [REDACTED], you are the only one who is going with him, so please make sure you have everything he needs.

He has not asked me to add anything to the list yet, I have emailed him this morning as well asking about it. but have not got a response. I am not at the house now - if someone could check with him again, that would be great! Thank you!

Good morning,

JE said, that his clothes for Paris should go with Valdson tonight. He said this morning, that he will try the polos and jeans, that [REDACTED] got yesterday. Hopefully he will select some and then you just need to buy more. If not, you need to find something else fast. So please follow up with him and make sure to give the clothes to Valdson.

Also, what is happening with the food list? [REDACTED], is there anything else he wants to take?

>> We need to buy some new jeans and polo shirts for JE to take to Paris. I am in school 8 to 5 all this week, so I asked him today to show someone of you what jeans he prefers(brands, model, colors, sizes) as he did not get a chance to show me yet. Please remind him today. Then someone need to buy a few pairs to take to Paris please. Regarding his gap polo shirts, he said to buy some from the store for him to try on first, because gap seem to only have them with 2 buttons now, instead of 3 as he has. His size is Large. Gap also seem to have regular length and tall, so get both to try. Please do that today.
