ok perfect! We can change the finish of the bed as soon as we know what we are ordering for the dresser and nightstands. I may send paperwork for bed to get started. We can send company finish to match.

Safe trip home.

Hi Erin, hope you enjoyed your weekend as well!

Yes, Jeffrey approved living room coffee table and the side tables, so you can order them.

One thing about the bed is I think the base of it would depend on the dresser and side tables choice.

Thanks for the samples, I will have a look at them as soon as I'll be back tonight.

Hi! I hope you had a great weekend. This p.m. I will drop off the fabric for the Living Room chairs from Adler.

Let me know how you like it.

Also, let me know your thoughts on Rosol.

We will go ahead and order the wallpapers, bed, and master bedroom lamps.

Should we go ahead with Living room coffee table and side tables.

I am happy to go and look at carpet with you when you are free.
