So sorry to hear that! I hope you'll get better soon!

He wanted to see Rosol in person but never got a chance to do so. I'll let you know.

Did you get my other email with the carpet samples? I remember sometimes the pictures couldn't get sent, but looked like this one was ok

I am so sorry I am just responding. I have been sick since yesterday and I am finally turning a corner. :)

Thank you for all the info. I will work on this tonight.

Hope you are well.

Should we show you more options from Rosol for bedroom? Or he didnt like? Let me know. We did not order bedroom lamps so dont worry.

All the best,

Erin

cowhide rug from Design within reach in ivory color (<http://www.dwr.com/product/patch-cowhide-rug.do>)  
they have it in 8x10 or 10x12, let me know what size you think is better

that, and if you already ordered bedroom lamps, he said it's ok, they can be used in other apartments), desk  
chair, bookcase?, curtains, bedroom dresser and side tables. What else do you think? lounge chair for the  
bedroom, entry hall table..?
