Hi [REDACTED]. Good morning! I just got your message about missing laundry! I don't know about [REDACTED] missing laundry. I don't do their clothes other than cleaning their apartment. I only seen your laundry from cleaners in apartment [REDACTED] and still in the closet by the hallway and it has a brown bag with dirty towel that i wash and it has a stain on it. I don't know who is it? someone drop this dirty towels and I have to wash it other than that I don't know anything about the missing laundry from the cleaners. I don't do the girls laundry. Thanks for letting me know! Sorry about it!

Norman [REDACTED] and I just want to make sure that none of us took it by accident before we start searching in the rest of the building. The cleaners used to have my name connected to all our apartments so perhaps they put one of other apartment numbers on it?
