Hey Karyna,

Please see the attached estimate for the goods you requested.  
And they are in stock!! So lead time for these goods, from date of order is 2-4 weeks.

I know I said a site measure wouldn't be necessary but let's schedule one just in case!  
Are you free Tuesday for our measurer to stop by? I will not take long – 1-2 hours max. Let me know what time is most convenient for you (before 4pm).  
We also have Thursday available.

Also, this cost will be completely covered under the credit.

Let me know about the measure and we will get this going! ☺

Thanks,

Hi Erin,  
Attached is the floor plan. The carpet is for the bedroom including the narrow space between the closets. Let me know if you need additional measurements.

Thank you,  
Karyna.

Hey Karyna,

Is there any way we can send our messenger to pick up samples today?

We just need to use some of the samples for some other clients.

Hoping you were able to find something you like!

Let me know if there's anything you'd like me to price out or check stock on.

Thanks!

Erin Curry

Hi Erin,

Thanks again for the recent carpet samples. I would like to find something in a warmer white/ivory color. Please see the pictures below

<image001.jpg>

On the left is the sample from you that I liked, just the color is too white. On the right side is my wool sample in the color I am looking for. I like it's texture and pattern as well.

This is the back of your sample from the previous picture. So if you could find something like that in a warmer white or wool similar to my sample would be nice as well. Or anything else you can suggest in warm white/ivory.

If you find something could you please messenger it to me ([REDACTED])

Let me know if you have any questions.

Thank you,

Karyna.

And when you're finished selecting samples, we can send our messenger to pick them back up.

Let me know if you have any questions!

Thanks,
