Subject: I'm So Grateful for You!

Happy Thanksgiving!

I just wanted to send out a quick note to share with you how grateful I am to have you as part of my community. 2013 has been an amazing year and I am filled with gratitude and wonder that everyday I get to live my mission of helping women, men and couples to learn more about their sexuality so that they can have deeper connections and unleash erotic ecstasy.

Thank you for helping me live that mission.

What are you grateful for today? Are you appreciating the people you love most? I invite you to weave appreciation into every moment; every relationship. It will only create more passion and aliveness.

Oh, and I don't want you to miss out on the Early Bird discount on my Valentine's Day retreat. There is only one spot left (I may add a few more spots as an appreciation gift today and tomorrow only)! Go to [REDACTED] for more information or to register today. It's a great gift to yourself or to that special person in your life.

Have a wonderful thanksgiving, and know that I greatly appreciate you!
Jaiya
