Sorry, The Laundry Basket is in storage. Should I bring it to one of the Cabana's?

Hi Anna,

Below please see the list of things, that need to be fixed in the cabanas later.

Cabana1: power sockets inside the desk, cap for the room spray in the bathroom or a new spray (I could not find those in them storage/laundry room)

Cabana 3: air conditioner is not working, shower head is not working properly (looks like it is partially blocked), new room spray in the bathroom.

Cabana 4: new room spray for the bathroom.

Also, could you please show again to the maids the pictures of the way the bathrooms should look like when nobody is staying there, so that they put extra stuff away to the personal trays. Also, please remind them to change shower sponges for new guests.

Mr. Epstein was also wondering were is an old white fish-like laundry basket from the flag pole?

Thanks a lot,
Karyna.

P.S. Thanks for all the food, it's delicious!!
