## ADVICE TO INTERNATIONAL PASSENGERS ON LIMITATION OF LIABILITY

Where a passenger's journey involves an ultimate destination or a stop in a country other than the

country of departure, either the Warsaw Convention and the Hague Protocol, their amendments, and any special contracts of carriage embodied in applicable tariffs that waive Warsaw/Hague limits, or the Montreal Convention may apply to the entire journey including the portion within the countries of departure or destination and, in some cases, may limit the liability of the carrier for death or personal injury, delay, and for loss of or damage to baggage. The Montreal Convention, where applicable, does not impose, and special contracts voluntarily entered into by many carriers, including JetBlue, waive, the Warsaw/Hague limitations for compensatory damages arising out of personal injury or wrongful death caused by an accident, as defined by the applicable treaty. The names of carriers party to the special contracts are available at all ticket offices of such carriers and may be examined upon request.

#### **NOTICE OF BAGGAGE LIABILITY LIMITS**

For international transportation (including domestic portions) governed by the Montreal Convention, JetBlue's liability for baggage is limited to 1,131 SDRs (see, [www.imf.org](http://www.imf.org) for current value) per passenger unless a higher value is declared and an extra charge is paid. For international transportation governed by the Warsaw Convention and the Hague Protocol and their amendments, JetBlue's liability for baggage is limited to \$9.07 per pound for checked baggage and \$400 per passenger for unchecked baggage unless a higher value is declared and an extra charge is paid. Special rules may apply to valuable articles. For domestic transportation, JetBlue's liability for baggage is limited to \$3,300 per passenger. General baggage rules: As set forth more fully in its Contract of Carriage and international passenger rules tariffs, JetBlue will not be responsible for fragile or perishable goods. JetBlue assumes no liability for oversized, overweight or overpacked baggage, or for loss of or damage to baggage parts such as wheels, straps, pockets, pull handles, zippers, hanger hooks or other items attached to baggage. JetBlue will not be responsible for the following items in checked or unchecked baggage: money, jewelry including watches, cameras, camcorders, any type of electronic equipment, including computers, valuable papers or documents and other similar items as described in more detail in the Contract of Carriage.

#### **NOTICE OF OVERBOOKING OF FLIGHTS**

Although JetBlue does not intentionally overbook its flights, there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until airline personnel first ask for volunteers willing to give up their reservation in exchange for compensation of the airline's choosing. If there are not enough volunteers, JetBlue will deny boarding to other persons in accordance with its particular boarding priority. With few exceptions, including failure to comply with JetBlue's check-in deadline (which are available upon request from JetBlue), persons denied boarding involuntarily are entitled to compensation. The complete rules for the payment of compensation and JetBlue's boarding priorities are available at all airport ticket counters and boarding locations. **Some airlines do not apply these consumer protections to travel from some foreign countries, although other consumer protections may be available. Check with your airline or your travel agent.**
