Hi
He has filled the room with all he art work on floor extra
Moved furniture in room 4 turned off AC opened doors up hence dead rat
in room 1 and to be honest I have had no time given the new employment
package that had to go out with employees loosing 30 paid days a year
and now 1/2 hour for lunch
Crew are out to kill him really bad scene wait untill we inform he salary
Workers what they loose
Pretty much another 10 to 15 percent pay cut for all
I will work on room 4 tomorrow

good lord. What else should I be looking for do you think? perhaps we could put a plant or something on the
desk? Did he want to hang any of the photos we sent down over the desk?
I can look for a colorful desk blotter to break up the vast span of white
