Thanks for all the info. Eva is meeting the couple here on Sat morning at 11am. I will also be there when she meets them.
What is the rug situation in chill room? Did one of the sisal ones we have work out? Do we need rugs for sams place too?

Hi [REDACTED]
Sofa could be 8 ft which means it could be placed on either wall with 1 chair
All the space it really can take I would go cream rather than white
Planning to use the wooden chest that was in the pool cabana as a coffee table
Still will need something for under the TV possibly 2 the same so could use surface storage also under windows
Dining table and chairs and as we discussed I will get blinds for windows blackout ones for bedroom
I am using old shutters for the headboard in bedroom
Reference cushions will review once JE is gone and get back with you
FYI making trip to Ranch with Janauz and Ofelia 14 th Jan
Any word on Eva and possible couple?

I was just going to look into instock furniture from Pottery Barn, Crate and Barrel, etc for Sam's place.
Do you want to let me know which cushions and how many we need for outdoor Restoration and I can order?

Hi [REDACTED]
Do we have anything on furniture for Sams place and Relax room?
Have bed,side tables,coffee table, for SAMs and still have nothing for equipment in relax room
We will need new cushions for the outside woven restoration furniture if we are going to keep it in all locations

Great. The white fabric for piping should also be arriving soon if it hasn't already. Also, sue Fedexed a blue and white life preserver ring. It's to show JE in the pool cabana to see if he likes it and wants to order more for the walls. Did you receive it yet by chance?
