Ok thanks for heads up. I could use a tall standing mirror in the living room of 10B. What does it look like?

Hey [REDACTED],

FYI in case it affect any charges: Michael will be working in 8h tomorrow putting some paint in the closets and changing the plates on plugs, he also stopped by today to see what needs to be done. And Penn's guys will be fixing the walls today and putting the carpet in the closets tomorrow.

One more thing, do any of the guest apartments need a tall standing mirror?

Thanks.
