I miss you. / What is troubling you? this is the fourth time i ask . . . telling me it is mean to look at a girls ass as it passes by, getting moody because of public property jokes. . justina , "why didn't you call me , i would ub your feet?" . . telling me i don't trust you because sue can open the door. ./ I understand that it is always better when we spend more time together. . and that you hate to be alone. . Im doing my best. , flying in even for 24 hrs,. to enjoy our time together. If you have concerns I suggest you share them with me as opposed to having them pop out in awkward ways. If you feel too much pressure. let me know. Telling me many times. " i don;t want to hear that" , don't tell me about that . don't look there, . why did you do that? , may be your emotional reactions that i should learn to accept. you and I have a great life. I am thankful for it everyday, I dont want to feel as if i am walking on eggshells , not knowing when the next emotional outburst will be triggered by I don;t know what. and then being told I am not the only one that thinks so. ..
