as you can tell I am frustrated, My houseman in Paris when I arrived had put together a list of massage people ,, both men and women that he had interviewed, researched, and shiatsu, thia, reflexology etc. each had a photo and a little description. I had not asked him to do it. I asked why he did it and he said that the girls like sue and jenn spend their time talking about things but do little to help. spend time in his kitechen making a mess, but producing litle except noise. this is my houseman he took the time to try to make my life nicer, a houseman, . it is crazy,
