Do you live up by school? I will be going out of town on Monday-Tuesday. Do you want to meet for a little on Sunday to talk about a game plan to better help you for boards?

You text me if that's easier [REDACTED]. I observe Shabbat from tonight 5:45pm until tomorrow sundown so if you text me after that time please don't think I am ignoring you, I just can't use my phone :)

Hi Jessica,

Thanks for your prompt attention. I would like to discuss my needs for the board preparation. When would be a good time for you to set up our meeting?

Thank you,

Karyna.
